Good morning – We're reaching out to see if we can touch base soon about next steps in community engagement and the air quality report. Any chance you're available from **12:30-1pm today?**

If not, I'll suggest additional times.

Thanks,

Thanks Ronna,

Could you invite the larger group ie: all those that were invited to last Friday's call that Eileen set up?

Thanks,  
Melissa

**Subject:** Re: HIA Engagement Planning

Hi all,

Thanks for a helpful discussion yesterday. We're going to discuss internally and hopefully have a rough sketch of a plan/timeline for engagement early next week.

To keep a regular cadence of meetings with the larger group, it would be helpful if we could have a biweekly meeting set up. Maybe next Friday? I think Alan, you had set up some of our meetings. Would you or someone from your team be able to set up another meeting? It looks like our team is generally available after 2pm on 7/2.

Thanks!  
Melissa

In case it's helpful, we have documentation of the public engagement we have done thus far related to this permit, including 2 meetings. Slide decks, a recording and a report out on Q&A are included here: <https://www.chicago.gov/city/en/sites/rmg-expansion/home/public-engagement.html>. Looking forward to our discussion.
